**A CSR INITIATIVE OF
ENVIRO INFRA ENGINEERS LIMITED**

Leadership Speak

- ▶ Set up in 2023, I see our foundation as a medium whereby working together, we can help people who need it most, back new ideas that can make big changes, and leave behind a legacy of kindness and positivity.

Our Vision

Maximize positive impact per rupee spent.

Promote sustainable development for beneficiaries.

Foster moral values within society.

Empower initiatives for a greener planet and animal wellbeing

EVF CONTRIBUTION

**Bhagwan Mahavir Super Specialty
(BMSH) Hospital in Rohini, Delhi!**

The Company's unwavering commitment echoes through the corridors of compassion. In alignment with our vision, we have pledged to contribute Rs. 51 lakh over three years—2022-23, 2023-24, and 2024-25—towards the construction and renovation of a vital healthcare institution.

In the financial year 2023-24, we have already fulfilled our promise by contributing Rs. 17 lakh.

Together, we lay the foundation for a healthier tomorrow—one where compassion meets concrete, and where every rupee invested blooms into well-being.

Ensuring universal access to healthcare, regardless of financial means, is a principle rooted in empathy and equity. BMSH, a transformative Rs. 300 Crore initiative, endeavors to uphold this belief by refurbishing an existing hospital into a state-of-the-art haven of medical excellence. With 271 beds meticulously crafted to provide world-class, super-specialized care, spanning a vast 3 lakh sq. Ft. across 16 floors, this non-profit institution situated in Sector-14, near the esteemed Madhuban Chowk in Rohini, Delhi, symbolizes a beacon of compassion and inclusivity in the realm of healthcare.

Radiation Oncology Department

विविकरण ऑन्कोलॉजी विभाग

Equipped with world class facilities in the field of radiation, medical and surgical oncology so that patients have access to the most recent and advanced cancer care.
